

GLHA 2022 Summer Luncheon

August 28, 2022 (Sunday) **12:00 Noon** meeting – Luncheon to follow

Location: Fire Hall Behind 7 Gables

Topic of Discussion: Guest speaker Todd Blythe “How DNRC Hydrologists Help Manage Georgetown Lake.”

WHAT DOES THE GEORGETOWN LAKE HOMEOWNER’S ASSOCIATION DO FOR OUR COMMUNITY?

1. **Water:** We are on a committee that advise Granite County on lake management. We cosponsored and participated in a Clean Lake Study to assure our lake is healthy. It Is!
2. **Zoning:** Homeowners at the lake wanted a “soft touch” zoning or development rules so we guided that process through meeting and hearings until that was achieved. (3 years).
3. **Wildlife Management:** We work closely with FWP and other groups to address wildlife issues in our area. This includes public presentations and promoting good management practices such as bear proof garbage cans.
4. **Volunteer Fire Department:** We support the Georgetown Lake Fire Department with equipment donations and funding for equipment for the Emergency Response Unit.
5. **Planning Board:** We have had a member sit on the Granite County Planning Board to guide development at the lake.
6. **Meetings:** GLHA holds two meetings at the lake every year to keep members informed of current issues. There are usually speakers from various agencies to inform us on topics of interest.
7. **Watershed:** GLHA has a representative sit on the Granite County Watershed Committee. This group is designed to preserve and protect the watershed including Georgetown Lake. They also promote maintaining our rural lifestyle.
8. **Flow Gauges:** GLHA also shares in the cost of maintaining a USGS flow gauge on Flint Creek. This measures the water coming out of Georgetown Lake on a real time basis. This enables us to monitor management of the reservoir by Granite County.
9. **Membership:** We welcome new members to help us with these endeavors. The cost of membership is \$25 for 2022. You can send a check to GLHA, PO Box 643, Anaconda, Montana 59711. Include your address at the lake and for future mailings, email is appreciated also.

All association members and friends are welcome to Summer Luncheon. The Board thanks you for your participation.
