

GLHA 2023 Summer Barbecue
September 9, 2023 (Saturday) 12:00 Noon
Location: Fire Hall Behind 7 Gables

Greetings, we are gathering for our annual Summer Meeting and Barbecue this September 9th. Hope you can be there. Your GLHA remains active in issues affecting us all including: VFD Support, Permanent membership on County Dam Operations Advisory committee, Financing USGS lake discharge gage, Road & Speed limits.

Our speakers will include Brad Liermann with MT Fish, Wildlife and Parks. Brad will speak to us about issues affecting our lake's overall health. High levels of snowpack and a very wet June led to high volume spring run-off. Although we saw 20 days of water over the spillway, lake levels remained under the danger level affecting much shoreline erosion. You can get more info at georgetownlakehomeowners.com.

The lack of ambulance service in Granite County section of the lake will be addressed by Chuck Stokke. Fred Bjorklund will fill us in on what is new with GTL VFD.

All association members and friends are welcome at our barbecue lunch. The Board thanks you for your participation.
